ENVIRONMENTALLY  
PREFERABLE  
ODOUR ELIMINATOR

# Dog Deodorizer

## Lemongrass

“ I love that I can spray the Dog Deodorizer in my dog’s area, without worrying if it lands on him or he inhales a bit by accident. I can even spray it DIRECTLY ON HIM or mix it with water to use for bathing. It claims to eliminate skunk odour too but I thankfully cannot test that! ”

K.G. from Ontario

**MrGreen Dog Deodorizer** is an all natural organic micronutrient-based dog odour eliminator. MrGreen does not use bacteria, enzymes, harsh chemicals, alcohol or masking agents and as such is safe for humans animals and the environment. MrGreen can be used directly on a dog to extend time between baths and can also be used on carpet, bedding, furniture or in the air.
