Fabric Refresher

“After using several other MrGreen products I decided that if this product worked as well and left a fresh scent afterwards, I could replace all my household fresheners. I was not disappointed. The odours are completely eliminated and the clean fresh scent is a winner.”
C.M.

MrGreen Fabric Refresher is an all natural, multi-purpose general household deodorizer. Specifically formulated to eliminate the production of odours, Fabric Refresher eliminates lingering household odours and leaves behind a fresh lemongrass scent. MrGreen does not contain bacteria, enzymes, harsh chemicals, alcohol or masking agents and as such is safe for humans, animals and the environment.

MrGreen Fabric Refresher is available in three natural scents; Lemongrass, Tropical Breeze, and Soft Cinnamon.
