# Pet Wash / Shampoo

## Lemongrass

“ Well priced and delivered quickly, this product worked well for our little yorkie. She is bathed frequently as she is on the furniture most of the time and sleeps in bed with us every night. Her coat is silkier than ever and she still smells fresh days after her bath. P.M. ”

**MrGreen Pet Wash** is an all natural micronutrient-based concentrated deodorizing wash & shampoo. MrGreen does not cover up pet odours but eliminates odours at the source while hydrating and conditioning your pet's skin and coat. MrGreen does not contain bacteria, enzymes, harsh chemicals, alcohol or masking agents and as such is safe for humans, animals and the environment.

### Features & Benefits

- ✓ Eliminates odours, including skunk
- ✓ Cleans, conditions and detangles
- ✓ All natural, non-toxic, biodegradable
- ✓ EcoLogo Certified
- ✓ Concentrated formula (mix with water)
- ✓ Long lasting lemongrass scent
- ✓ Satisfaction guaranteed

### Instructions

Mix 250 ml/8 oz of Pet Wash with 10 L/2.5 gallons lukewarm water. Saturate pet's coat with warm mixture. While soaking fur, massage to allow shampoo maximum contact. Rinse coat with clean lukewarm water. Towel dry and gently brush coat.

**Ingredients:** Vitamins, amino acids, organic compounds, minerals, and water.
