# MrGreen®-RVM RV & Marine Holding Tank Treatment

“ I have been trying to find a tank treatment for RV use that actually works against odours over the course of two weeks of black tank use without dumping. None have ever worked until this product. Two weeks in Florida’s temps with no odour. GREAT stuff! ”  
N.I.

**MrGreen RVM RV & Marine Holding Tank Treatment** is an all natural organic micronutrient-based odour eliminator and wastewater treatment solution for RV’s and boats. MrGreen works with nature to accelerate the breakdown of waste, while immediately eliminating production of odour. MrGreen does not contain bacteria, enzymes, harsh chemicals, alcohol or masking agents and as such is safe for humans, animals and the environment.

## FEATURES & BENEFITS

- Eliminates odours
- Breaks down waste for easy pumpout
- All natural, non-toxic, biodegradable
- EcoLogo Certified
- Unaffected by hot weather or heavy use
- 10 treatments per 1L bottle
- 1 treatment per 120ml bottle
- Satisfaction guaranteed

## INSTRUCTIONS

### Shake Well Before Use.

**Application:** Apply MrGreen to holding tank immediately following every pumpout.

**Directions:** Do not mix MrGreen with other products. The first time using this product, for best results, empty tank and flush with water before adding MrGreen.

**Dosages:** For holding tank systems, recirculating toilets and gray water tanks use 100 ml (3 ½ oz) for each 100 L (25 gallons). Pour into toilet and flush twice or rinse with water.

**Ingredients:** Vitamins, amino acids, organic compounds, minerals, and water.
